

**Mark Your Calendar!  
Sizzlin' Summer Camp  
June 21-24, 2018  
Camp Catron  
Nebraska City, NE**

All school-aged students with visual impairments are welcome to attend. Students will participate in instructional lessons, enjoy the great outdoors, and partake in summer fun activities. This year's summer camp theme will be "No Limits" because truly the only limits in life are the ones you make...but with hard work, there are no limits.

**Specific arrival and departure times still to be determined...**

Students will return to Catron Camp & Retreat Center again this year. Camp Catron can be discovered along the crystal-clear waters of Walnut Creek and near the apple orchards of historic Nebraska City. This awesome camp has a spacious lodge, craft/nature center, modern shower houses/shelters, and dynamic low and high challenge courses with a Zip Line, Giant Swing, and Flying Squirrel.

***Registration forms will be available March 1st on the  
NCECBVI website at [www.ncecbvi.org](http://www.ncecbvi.org)***

**Space is limited to 20 children. A waiting list will be created if more than 20 students register. If your student is registered but has to cancel, please contact NCECBVI ASAP so the next student on the waiting list can attend.**
